

## **Charity Fundraising**

Hardcastle Burton and their staff have always been involved in raising money to support numerous charities over the years.

In 2020 we have decided to team up with the Garden House Hospice Care based in Letchworth to generate much needed funds for them during their 30<sup>th</sup> Anniversary year. Our staff will be taking part in various events throughout the year and continue to fundraise and we would welcome your support.

Garden House Hospice Care supports personalised and compassionate palliative end of life care for those in need following diagnosis of a life limiting illness. They provide a 12-bed inpatient unit in Letchworth which provides symptom control, respite care and end of life care. They also provide nursing support to patients at home, day services which include rehabilitation and wellbeing services and family support.

Garden House Hospice Care needs to raise almost £5million each year to continue providing the wide range of free services to patients, their carers and families in the community.

We will keep you updated with the events and how you can support us throughout the year. If you would like to donate please visit our just giving page
